

February 2009

Dear Parents/Guardians,

The annual fifth grade camping trip will start on **Tuesday May 5th**. We will do everything that we can to ensure that your child has a safe and exciting trip. To ensure that your child has everything that he or she needs, I am asking that the attached forms be filled out and returned to school as soon as possible.

Should your child require medication daily, please send enough medication in a prescription bottle that is clearly marked with the medication name and the appropriate instructions. Please send in the medication with the "permission to dispense" form completed, no later than **Monday April 20, 2009**.

**No prescription medications can be given without a physicians order.** No prescription or over the counter medications can be given without written parental permission.

I am looking forward to camping with the Fifth Grade this year. Please let me know if you have any questions or concerns regarding your child's health or safety.

Sincerely,

Betsy VanScoyk RN  
Orchard Farm School Nurse
