

# What is Eaglemart?

**Eaglemart is a shopping certificates fundraising Program sponsored by the Elementary PTO.**

## How does Eaglemart work?

**Instead of using cash to make a purchase, you buy the certificate from us and use it to purchase groceries, gas, etc. at many local merchants. The certificates are never sold for more than their face value. A \$25 certificate costs you \$25 and you then use it to purchase \$25 worth of merchandise.**

## How do I purchase certificates?

- 1. Fill out the order form with the items you want. Forms are available in the Teacher Work Room and on top of the mailboxes.**
- 2. Enclose payment in an envelope marked Eaglemart. Checks should be made payable to Orchard Farm. Place order in the High School Office with secretaries.**
- 3. Orders are filled on Mondays. Please be sure to get your order to the office by Friday. If the certificates are needed for a different time then, contact Dawn Saindon or Amy Speh at the phone numbers on the order form. Orders will be available at the High School Office for pick up.**

## Who benefits from Eaglemart?

**The students! By doing your normal shopping, the PTO earns a percentage of all money you would normally spend on groceries, entertainment, and gifts at no additional cost to you. The money is then used to benefit the students and teachers through Perfect Attendance, Manic Mondays, EOC Support and much more. Be sure to indicate where the 3% goes or it will be given to the Elementary PTO instead of the High School PTO.**

**\*\*For orders of large quantity or monetary amounts please order ahead of time or call for availability.\*\***
