

Lily saved \$162. Weilin saved \$360. How much money did they save altogether?

Lily's
money

Weilin's
money

$$162 + 360$$

$$\begin{array}{r} 162 \\ +360 \\ \hline 400 \\ 120 \\ + 2 \\ \hline 520 \end{array}$$

They saved \$520 altogether.
